**Read it, memorize it, live it on and off the field!**

## THE PLAYER CREED

*There is a special breed of **PLAYER** with an uncommon desire to succeed.*

*I am that **PLAYER**.*

**I compete with honor on and off the field of play.** I do not advertise my abilities, nor seek recognition for my actions. **The ability to control my emotions and my actions, regardless of circumstances, sets me apart from others.**

Uncompromising **integrity** is my standard. My **character** and **honor** are steadfast. **My word is my bond.**

I expect to lead and to be led. In the absence of leadership I will take charge, lead my teammates and accomplish the goals at hand. **I lead by example in all situations.**

I will never quit. I persevere and thrive on adversity. **My team expects me to be physically and mentally stronger than my competition. If knocked down, I will get back up, EVERY TIME!** I will draw on every remaining ounce of strength to work with my teammates to accomplish our goals. I am never out of the game.

I demand discipline. I expect innovation. **My loyalty to TEAM** is beyond reproach. My teammates and our success depend on me - my skills and attention to detail. My training is never complete. ***I voluntarily accept my role on the team, placing the goals of the team before my own.***

**I train for competition and compete to win.** I stand ready to bring the full spectrum of my abilities in order to achieve my goals and the goals established by my team. The execution of my duties will be with commitment and confidence yet guided by the very principle that...

**IF IT IS TO BE, IT IS UP TO ME! I WILL NOT FAIL!!!!**
